with interest on the unpaid principal advanced to the Town from the date of each such advance at the rate of 5% per annum payable annually on January 1 of each year until said sum is paid, commencing with the January 1 next succeeding the date of this bond. Principal and interest are payable in lawful money of the United States of America, without deduction for exchange or collection charges, during the period the FHA is the registered owner or insurer of this single bond, at the local county office of the FHA or at such other place as the FHA may designate, and so payable during any period the FHA is not the registered

owner or insurer hereof at the address shown on the registration book of the Town. The final installment of principal and interest due on this single bond is payable only upon the bond's surrender to the Town.

Installments of principal becoming due on and before January 1, 1983, are not payable prior to their stated due dates unless the FHA is the registered owner hereof. If the FHA is the registered owner hereof, all installments are subject to unlimited prepayment prior to their stated due dates if redeemed in the amount of \$300.00 or multiples thereof, and, in inverse order of maturity, by the payment of such principal amount and accrued interest to the prepayment date. Installments becoming due on and after January 1, 1984, are subject to prepayment prior to their stated due dates in the amount of \$300.00 or multiples thereof, at the option of the Town, in inverse order of maturity, on January 1, 1983, or on any January 1 thereafter, by the payment of the principal amount and accrued interest to the prepayment date. The Town also reserves the right, at its option, to prepay installments of principal in inverse order of maturity in the amount of \$300.00 or multiples thereof and accrued interest to the prepayment date from excess bond proceeds. Prepayment shall be made upon notice given as provided in the Ordinance 40 of the Town of Hillrose.

Payment of this bond and interest thereon shall be made solely from, and as security for such payment there are pledged, pursuant to the 1972 Sanitary Sewer Revenue Bond Ordinance, two special funds identified as the "1972 Sanitary Sewer Revenue Bond Fund", and the "1972 Sanitary Sewer Revenue Bond Reserve Fund", into which the Town covenants to pay from the revenues of its sewer system (herein "system"), after provision only for all necessary and reasonable operation and maintenance expenses, sums sufficient to pay the principal and the interest of this bond and to create and maintain a reasonable and specified reserve.

For a description of said funds and the nature and extent of the security afforded thereby, reference is made to the 1972 Sanitary Sewer Revenue Bond Ordinance. This bond is secured by and constitutes an irrevocable and first lien (but not necessarily and exclusively first lien) upon the net revenues of the system. Subject to designated conditions, additional bonds may be issued payable from said net revenues and having a lien thereon inferior and junior to the lien, or having a lien thereon on a parity with the lien, of this bond, in accordance with the 1972 revenue bond ordinance.

This bond is issued under the authority of Article 52, Chapter 139, Colorado Revised Statutes 1963, as amended, Pursuant to Section 139-52-13 thereof, such recital conclusively imparts full compliance with all provisions of said act and bonds issued containing such recital are incontestable for any cause whatsoever after their delivery for value.

The Town covenants and agrees with the holder hereof that it will keep and perform all the covenants of the 1972 Sanitary Sewer Revenue Bond Ordinance, including its covenant against the sale or mortgage of the sewer system or any part thereof unless provision has been made for the payment of this bond and its covenant that it will fix, maintain and collect rates sufficient to pay operating and maintenance expenses and 100% of both the principal of and the interest on this bond and any other obligations payable from the revenues of the system (including reserves).

This bond, including interest thereon, does not constitute a debt of the Town within the meaning of any constitutional or statutory limitations, but is payable solely out of special funds and the net revenues of the system pledged to the payment thereof. The holder may not look to any general or other fund for payment. This bond and the income therefrom is exempt from taxation by the State of Colorado, except inheritance, estate and transfer taxes.

This bond is transferable only upon books kept by the Treasurer of the Town as bond registrar by the registered owner hereof in person or by his duly authorized attorney, and similarly noted hereon, or it may be surrendered in exchange for new bonds of the same aggregate principal amount in coupon form or in serial registered form, in the denomination of not less than \$300.00 each, to the extent practicable and consistent with the maturity schedule provided in, and subject to, the conditions set forth in the 1972 Sanitary Sewer Revenue Bond Ordinance.

This bond is issued against payment for the bond purchase price of part byt said purchase price may be paid the Town in one or more advances in accordance with the schedule stated on the reverse side hereof. The principal amount of this bond shall in no event exceed the actual advances paid to the Town and interest shall accrue on the amont of each advance only from the date each advance is paid. In the event the entire principal amount of this bond is not advanced, the principal installments above set forth shall be reduced in inverse order of maturity accordingly.

It is further certified, recited, and warranted that all the requirements of law have been fully complied with by the proper Town officers in the issue of this bond.
